

ORDINANCE NO. ORD-2012-33

AN ORDINANCE TO REPEAL THE WASHINGTON COUNTY, MARYLAND ANIMAL CONTROL
ORDINANCE AND TO REENACT, WITH AMENDMENTS, THE WASHINGTON COUNTY,
MARYLAND ANIMAL CONTROL ORDINANCE

Recitals

Washington County, Maryland (the *County*) has the authority to adopt an animal control ordinance pursuant to Md. Code Ann., Art. 25, § 236A.

The Animal Control Ordinance for Washington County, Maryland (the *ACO*) was adopted on May 15, 1990, and has been amended subsequently. The current version, Revision 4, was adopted on October 19, 2010.

Certain difficulties have arisen from the historical administration of the *ACO*, and suggested improvements to its text have been identified and considered.

A public hearing was held on July 10, 2012, following due notice and advertisement of a fair summary of the text of the Ordinance, and copies were made available to the public upon request.

Public comment was received, reviewed, and considered concerning the draft of the Ordinance.

The Board believes it to be in the best interests of the citizens of the County for the Board to adopt the attached revised and amended *ACO*.

The *ACO*, Revision 5, attached hereto is necessary to provide for the safety of the public, the humane care and treatment of animals, and the promotion of responsible pet ownership.

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Washington County, Maryland, that all prior versions of the Animal Control Ordinance for Washington County, Maryland are hereby repealed; and the attached ordinance entitled "Animal Control Ordinance for Washington County, Maryland," being Revision 5 of the Ordinance, is hereby adopted.

Adopted this 23rd day of October, 2012.

Effective January 1, 2013.

(d) The Authority shall submit an annual report to the Board and the Agency concerning the performance of its responsibilities hereunder.

Section 3. Animal Control Authority – Composition; term of office.

(a) The Authority shall consist of five (5) members appointed by the Board. All but one of the members must be residents of Washington County.

(b) The Board shall make reasonable efforts to provide the following representation on the Authority, but lack of such representation does not invalidate or in any way compromise the validity of the Authority: one member who is a Veterinarian or veterinary technician; one member of the agricultural community; one member of the legal profession; one sworn officer from the Sheriff's Department; and one member from the general public. The Authority may also have two (2) or more alternate members.

No member shall serve more than two (2) consecutive terms unless otherwise approved by the Board.

(e) The Department shall provide the Authority with a recording secretary.

Section 4. Animal Control Authority – Duties of chair.

(a) The chair may call special hearings at any time. Each member shall be notified of such special hearing and shall be given the opportunity to attend. Any meeting may be canceled upon consent of a simple majority of all members.

(b) The chair shall appoint from the membership a vice-chair to serve in his or her absence.

(c) The chair or, in his or her absence, the vice-chair, shall preside at all hearings of the Authority.

(a) The Authority may conduct a hearing when:

(1) A Citation is filed with the Authority by an Animal Control Officer, alleging that a Person has violated or permitted an animal to violate the provisions of this Ordinance;

(2) A Complaint is filed with the Authority by an Individual other than an Animal Control Officer, alleging that a Person has violated or permitted an animal to violate the provisions of this Ordinance;

Instructions for requesting a hearing before the Authority shall be printed on all form Citations.

(d) The Authority shall not have the power to hear or decide any cases that involve matters arising strictly under any applicable zoning ordinance.

(e) The Authority shall give notice in writing by regular mail to the complainant and the Person charged with or appealing a Citation or Complaint of the time and place of the hearing, providing all parties with a minimum of ten (10) days notice of the hearing. The Authority shall also send notice by personal delivery or by certified mail, return receipt requested, to the Person charged. If the notice sent by regular mail is not returned and if the personal delivery or certified mail receipt indicates that the Person charged is at the address given, it shall be presumed that the Person has received notice of the hearing.

(f) Any hearing held pursuant to this Ordinance shall be conducted in public. Strict rules of evidence shall not apply. The Authority may hear any evidence that is relevant and probative of the matters set forth in the Citation or Complaint, but shall not be required to hear irrelevant or merely cumulative evidence. Hearsay evidence is admissible if credible and of sufficient probative force to be considered, in the judgment of the Authority.

(g) The charging Animal Control Officer, the complainant, and the Person charged by the Citation or Complaint may appear in person or, if not an Individual, by agent or by attorney. Failure of the complainant to appear shall result in the dismissal of the case by the Authority, unless a postponement is granted by the Authority for good cause shown. Upon request by the Person charged by the Citation or Complaint, the Agency shall disclose all documents in its file relating to the Citation or Complaint and provide a copy of same to the Person within five (5) business days of the request (except that the identity of a complainant who has been assured confidentiality may be redacted). Strict rules of evidence shall not apply to a hearing before the Authority, and hearsay testimony may be accepted if the Authority deems it to be sufficiently credible and probative. The Agency may present its case without the presence of the charging

Animal Control Officer if the charging Animal Control Officer has left the employ of the Agency or is unavailable due to serious illness or injury.

(h) If, after notice is given, the Person charged in a Citation by an Animal Control Officer or in a Complaint filed by an Individual other than an Animal Control Officer:

(1) does not appear, nevertheless, the Authority may hear and determine the matter; or

(2) does not request a hearing, the Authority may deem that the matter has been heard and may impose a civil penalty.

A subpoena may be issued by the recording secretary or designee with the consent of the chair. Service of a subpoena may be effected by personal delivery or by registered or certified mail. Proof of service shall be filed with the Authority. Upon the failure of an Individual subpoenaed to appear, the Authority may apply to the Circuit Court for an order compelling compliance with the subpoena. Failure to comply with the court's order shall constitute contempt of court and shall be punishable in accordance with Maryland law.

(j) The Authority may administer oaths at hearings held under this section. All hearings shall be recorded.

(k) At the close of all the evidence, the Authority shall deliberate and shall issue written findings of fact, conclusions, and an appropriate order by regular mail to all relevant parties within thirty (30) days after completion of the hearing. If the Authority fails to find that a violation was committed by clear and convincing evidence, it shall dismiss the Citation or Complaint. If the Authority finds that a violation has been committed, or that an Animal is a Public Nuisance Animal, or that a public nuisance condition exists as provided in Section 32, it may impose civil penalties pursuant to Section 45. In lieu of or in addition to imposing civil penalties, it may require appropriate affirmative action, including but not limited to the following:

(1) The mandatory restriction or confinement of the Animal, under such conditions as may be appropriate.

(2) The mandatory destruction or other disposition of the animal if the evidence shows that such action is necessitated by the need for the protection of public health and safety, pursuant to Section 43.

(3) The correction of conditions or methods of animal care, keeping, maintenance, housing or veterinary treatment as the Authority may require in its discretion.

(4) Suspension or revocation of the Kennel license, if any.

(l) The Agency may request the Authority to convene immediately for the purpose of investigating situations of acute emergency. In such case, good faith efforts shall be made to serve notice of this expedited hearing upon the Person charged. The Authority may make such findings and orders as are appropriate to deal with the emergency situation. Such an order shall have effect for a period not to exceed fifteen (15) days, and the Authority shall schedule and hold a hearing in the ordinary course to consider further action as necessary.

(m) The determination of the Authority is a final decision for the purpose of judicial review of an administrative decision.

(n) The Authority shall accept oral or written testimony from an agent of the Cooperative Extension Service on the issue of what are customary and normal animal husbandry practices without the formal requirement of qualification as to expertise.

Section 7. Animal Control Authority – Appeals from Authority orders.

(a) Any party, including the Agency, aggrieved by a final order of the Authority in a contested case, whether such a decision is affirmative or negative in form, is entitled to file a petition for judicial review of that order to the Circuit Court for Washington County within thirty (30) days of the date of the order. Such appeal shall be governed by the provisions of the Maryland Rules pertaining to judicial review of administrative decisions. See Maryland Rules, Section 7-201, *et seq.*

(b) Judicial review of disputed issues of fact shall be confined to the record of the hearing before the Authority. No cases appealed under this Ordinance shall be heard *de novo*.

(c) If the testimony has been recorded but not transcribed before the filing of the petition for judicial review, the first petitioner, unless otherwise ordered by the court, shall pay the expense of transcription in advance, which may be taxed as costs and may be apportioned by the court as provided in Maryland Rule 7-203. The Authority may require the first petitioner to pay for the cost of transcription in advance. The party preparing the transcript shall prepare a certification of costs and the Authority shall include the certification in the record.

Section 8. Animal Control Authority – Compensation; expenses.

The members of the Authority shall be reimbursed for such actual expenses as may be incurred by them and for special costs as may be approved by the Board, subject to budget limitations. The members of the Authority may, but need not be, compensated by the Board.

(i) Any Dog designated by any other jurisdiction to exhibit or to have exhibited those same characteristics or behaviors that would result in a Dog being classified as Vicious and Dangerous under the terms of this Section if the Dog had been, at the time so designated, in Washington County shall be considered a Vicious and Dangerous Dog under this Ordinance, and all requirements imposed herein shall apply to the Dog so designated by the foreign jurisdiction as if the animal were deemed Vicious and Dangerous pursuant to this Ordinance. The Owner of any such Dog shall notify the Agency of the animal's residency in Washington County at the time of its commencement.

(j) The declaration of any Dog as a Vicious and Dangerous Dog by the chief administrator of the Agency or his or her designee may, after a hearing, be modified by the Authority to a declaration of Potentially Vicious and Dangerous.

(e) No Dog may be declared Potentially Vicious and Dangerous or Vicious and Dangerous if it was acting in response to pain or injury.

ARTICLE VI. ENFORCEMENT

Section 38. Animal Control Officers/inspectors; Powers of enforcement.

(a) Any Animal Control Officer shall have the right to enter upon any property where the officer has probable cause to believe that such entry is necessary for the purpose of discharging the duties imposed by this Ordinance, including but not limited to impoundment under Section 39. However, nothing in this section shall be construed as permitting the entry into a private building or other structure except in accordance with Maryland law.

(b) An Animal Control Officer is authorized to apply to a District Court or Circuit Court judge for a search and seizure warrant permitting entry into any private building or other structure. A warrant shall be issued upon written, described probable cause, supported by oath or affirmation, and particularly describing in writing the place to be searched, and the animal or other things to be seized, in accordance with Maryland law.

(c) It shall be unlawful for any Person to interfere or attempt to interfere with an Animal Control Officer or any Individual acting under the authority of this Ordinance, in the performance of the duties of the Officer or other authorized person, nor shall any Person without authority release or attempt to release any animal impounded pursuant to this Ordinance or State law.

Section 39. Impoundment – generally.

(a) Any animal found At Large may be impounded by the Agency or any Animal Control Officer and taken to the Animal Control Shelter. The animal shall be confined there in a humane manner for a period of not less than five (5) business days, unless sooner claimed and redeemed by its Owner.

(b) An exception to the five (5) day impoundment period will be made for (1) litters of puppies and kittens over the age of eight (8) weeks which may be made immediately available for adoption and (2) unweaned animals. For the purposes of this Ordinance, a litter shall consist of three or more animals.

(c) An exception to the five (5) day impoundment period will be made for any captured animal of unknown ownership determined to be a Vicious and Dangerous Dog, after 48 hours, which constitutes a personal threat to the staff of the Agency and the public.

(d) Where the Agency is unable with reasonable efforts to safely seize and impound a Vicious and Dangerous Dog, a Wild Animal, or an animal suspected to have rabies, local police agencies may use weapons as may be necessary to kill or subdue the animal, and shall do so in the most humane manner possible.

(e) An Animal Control Officer may seize an animal from any place if the officer determines that emergency conditions make it necessary to do so in order to protect its health and safety and the health and safety of the public or other animals.

(1) An Owner may appeal the removal of an animal under this subsection to the Authority within five (5) days of receiving actual or written notice of the impoundment.

(2) Should an Owner fail to appeal a removal to the Authority within five (5) business days of notice, the animal may be disposed of pursuant to Section 43.

(f) Any Animal Control Officer may impound any Potentially Vicious and Dangerous or Vicious and Dangerous Dog if the Animal Control Officer has reasonable cause to believe that any of the mandatory restrictions upon such animal are not being followed if the failure to follow such restrictions would likely result in a threat to public safety. The Owner or custodian of a Potentially Vicious and Dangerous or Vicious and Dangerous Dog shall surrender such an animal to any Animal Control Officer or law enforcement officer upon demand. In the event such an animal is impounded, the Animal Control Officer shall serve a Citation upon the Owner of such animal for violation of the provisions of this Ordinance.

(g) If an animal has been impounded pursuant to this section, the Agency may permit the animal to be confined at the Owner's expense in a veterinary facility pending a hearing pursuant to this Ordinance, provided that such confinement will ensure the public safety.

(h) No animal that has been designated as a Potentially Vicious and Dangerous or Vicious and Dangerous Dog may be released by the Agency or a veterinarian until the Owner has paid all veterinary costs and all other fees and costs of the Agency that are normally charged to an Owner prior to redemption of the animal. If the Owner fails to pay such fees and costs and take possession of the animal within ten (10) days of the

Owner's receipt of notice of the designation of the Dog as a Potentially Vicious and Dangerous or Vicious and Dangerous Dog, the animal shall be deemed to have been abandoned and may be disposed of by the Agency. Euthanasia or surrender to the Agency of such an animal does not free the Owner of responsibility for all costs incurred up to and including the date of euthanasia or surrender.

Section 40. Impoundment – Notification of Owner.

Upon impounding any animal, the Agency shall make all reasonable efforts to locate and notify the animal's Owner of the impoundment. Any notice of impoundment shall include certification by the Animal Control Officer of the means by which the Owner was notified of the impoundment.

The Owner shall be notified as soon as possible thereafter, and shall immediately provide for expenses and burial or cremation of the animal if he or she knows of the death of the animal and the location of the carcass.

(c) The Agency is authorized to enter into agreements with Veterinarians for the care of sick or injured animals which are licensed or which give the appearance of having been given good care. If the Owner cannot be located within a reasonable time, the Agency shall pay for the expenses incurred. If the Owner is located, he or she shall promptly pay for the Veterinarian's services and other expenses incurred for the care of the animal.

Section 42. Impoundment – Redemption of impounded animals.

The Owner of an impounded animal shall be entitled to redeem such animal upon proof of ownership, compliance with the license provisions of this Ordinance, the payment of any fees imposed by the Agency, and compliance with any measures required by the Agency.

Section 43. Disposition of animals.

At the end of the minimum time period specified in this Article, unclaimed animals shall be deemed abandoned and become the property of the Agency, and shall be disposed of only by euthanasia or by adoption or, in the case of a Wild Animal, released in a suitable habitat where permitted. Any Owner of any animal deemed abandoned which has not been disposed of by euthanasia or adoption may reclaim said animal by paying the requisite fees to the Agency. A Vicious and Dangerous Dog may not be placed for adoption by the Agency.

Section 44. Prohibited acts.

(a) No person shall beat, torment, overload, overwork, cause unnecessary suffering to or otherwise abuse any animal or cause, instigate or permit any dogfight, cockfight, bullfight, or other combat between animals or between animals and humans. Customary and normal veterinary and animal husbandry practices including, but not limited to, dehorning, castration, docking, and limit feeding, shall not be construed as being included in the provisions of this section. The Authority shall accept oral or written testimony from an agent of the Cooperative Extension Service on the issue of what are customary and normal animal husbandry practices, or from a Veterinarian on the issue of what are customary and normal veterinary practices, without the formal requirement of the presence of the agent or Veterinarian or qualification as to expertise.

(e) It shall be unlawful for any Person to conceal any animal or to falsely deny ownership of any animal owned or harbored by him from any Animal Control Officer or other person authorized to act by the provisions of this Ordinance.

(f) If an animal is impounded under this section and is not redeemed within ten (10) days of notice to the Owner, the animal may be disposed of pursuant to Section 43. The Owner remains responsible for any impoundment fees and veterinary expenses accrued.
