**PUR-1395  
ADDENDUM NO. 1  
REQUEST FOR PROPOSALS REGARDING  
QUALIFICATIONS & EXPERIENCE / TECHNICAL  
PROPOSALS AND PRICE PROPOSALS FOR**

**LANDFILL INSPECTION SERVICES REQUIREMENTS CONTRACT**

**DATE: Monday, August 27, 2018**

**BIDS DUE: Wednesday, September 5, 2018  
4:00 P.M.**

To Bidders:

This Addendum is hereby made a part of the Contract Documents on which all bids will be based and is issued to correct and clarify the original documents.

Please acknowledge receipt of this Addendum at the appropriate space on the Proposal Form. This Addendum consists of two (2) pages and one (1) attachment.

**NOTE: All Bidders must enter the Washington County Administration Complex through either the front door at the 100 West Washington Street entrance or through the rear entrance (w/blue canopy roof) which is handicap accessible and must use the elevator to access the Purchasing Department to submit their proposal and/or to attend the Pre-Proposal Conference. Alternate routes are controlled by a door access system. Washington County Government has announced new security protocols being implemented at the Washington County Administration Complex at 100 West Washington Street, Hagerstown. The new measures took effect Tuesday, February 14, 2017. The general public will be subject to wand search and will be required to remove any unauthorized items from the building prior to entry. Prohibited items include, but are not limited to: Weapons of any type; Firearms, ammunition and explosive devices; Cutting instruments of any type - including knives, scissors, box cutters, work tools, knitting needles, or anything with a cutting edge, etc.; Pepper spray, mace or any other chemical defense sprays; and Illegal substances.**

**ITEM NO. 1:** *Inquiry:* In regards to this RFQ/RFP, pages 9-11 list minimums for each of the proposed personnel regarding geosynthetic liner installation. The 10,000,000 sf for the Project Manager and 20,000,000 sf for the Certification Engineer are pretty tall numbers for our firm to achieve, even with my experience with a national waste company, overseeing construction of their landfills for 13 years. All of the other requirements listed are within reach. Will not meeting this requirement disqualify our proposal or is there some flexibility with regards to this level of experience?

*(NOTE: The wording of all "Inquiries" submitted are displayed exactly as received.)*

*Response:* There is no flexibility with regards to the level of experience. Bidders shall bid the Request for Proposal (RFP) specifications as written.

**ITEM NO. 2:** *Inquiry:* I attended the Pre-Proposal Conference yesterday (8/16) for Washington County's PUR-1395 RFP (Landfill Inspection Services) and would like to request an electronic copy of the attendance sign-in sheet

*Response:* Please see the attachment to this Addendum.

**ITEM NO. 3:** Refer to the Request for Proposal (RFP) document, Page 9, Request for Proposal, Qualifications, Letter B.2; **CHANGE** this sentence to read. **GCI (Geosynthetic Certification Institute) Certified Geosynthetic Materials and Compacted Clay Liner Inspector.**
