<b>TOTAL LUMP SUM - OPTION NO. 2 PART B DELIVERY/INSTALLATION OF BALLISTIC GLASS AND HARDWARE - Court House Ballistic Sliding Glass</b>	\$40,500.00	N/A	N/A

**Remarks/Exceptions:**

Clear Security Systems

Option No. 1 - Did not see a specific height required for the height of the BR glazing, although it is assumed that protection is required to the underside of the existing ceiling. Bid based on BRG industry standards which include installing BRG glazing up to a height of 8' 6" AFF, with an acrylic slotted louver system, 24" high, extending the security system to the existing 10' 6" ceiling.

We provided an oversize Package Exchange unit similar to the one at your existing BRG system.

Option No. 2 Part B - No price provided.

Mistral Inc.

Mistral's bid is for ballistic glass/frames & labor. Price does not include any additional (construction work if the angled wall sides must be modified or added to in order for the ballistic frames to fit.
