### About Washington County, Maryland Government

Washington County, Maryland Government strives to fulfill its duty to the citizens of Washington County with regard to operational efficiency, fiscal responsibility, and responsiveness to the needs of the community. This vision is used to ably assist the Board of County Commissioners of Washington County in achieving goals for moving the County forward as present needs and future plans are addressed.

According to the Maryland Department of Legislative Services, the Washington County General Fund has one of the lowest costs per capita for services provided of all 23 counties and Baltimore City. This is attributed to the efficiency, staffing levels, and cost containment exhibited in Washington County Government operations.
