Hagerstown, MD 21742

To whom it may concern,

Our property located at 13612 Paradise Church Road, Hagerstown, MD currently has a 7' x 7' shed that was built in 1968 on a concrete foundation that is 2' to 2' 4" from the side and back property lines. We would like to have the shed removed and have a 42' x 40' garage constructed on a concrete foundation with a setback of 5' from the side property line and 5' from the back property line which would still observe the spirit of the Ordinance and secure public safety and welfare.

Due to our property being on a private well and septic, the useable area to build a garage is limited. If we were granted a variance for a 5' setback from the side and back property lines, the proposed garage would meet the 25' setback from our current well that would allow it to be accessible for repairs.

If need be, it would also meet setbacks for siting of a new well, allowing for 100' from our septic and neighboring septics, 25' from the proposed garage, 15' from the existing well, and enough area to allow well rig access. The front and northern side yard area by the house is our current septic area and repair area. The only access for a vehicle to enter our back yard is from the southern side yard.

Thank you for your consideration,

A handwritten signature in black ink, appearing to read "Donald Armstrong II", with a stylized flourish at the end.

Donald Armstrong II
