PROJECT INFORMATION

Project Name: _____

Project Location: _____

8-Digit Parcel Tax ID No.: _____ - _____

Project Description/Justification

PRIMARY RECORD TYPE (SELECT ONE)

Site Plan (SP)

Site Specific Grading Plan (GP)

Town Grading Plan (TWN)

Preliminary Plat (PP)

Preliminary Plat/Site Plan (PSP)

PROJECT QUALIFICATION TYPE (SELECT ONE)

Residential plats or grading plans, 5 lots or fewer, including a common driveway/road layback, frontage and/or utility work

Bridge or road repair, widening or rehabilitation, including entrances

Minor building additions disturbing less than 1 acre

Utility projects which do not propose any additional impervious area

Redevelopment projects without sensitive area impacts

- If approved below submit application for the primary record indicated above only. A separate Stormwater Concept Plan (SWCP) record will not be initialized. The combined plan must still address all required elements in accordance with Section 3.7 of the Washington County Stormwater Management Ordinance. The \$200 SWCP review fee will be assessed under the primary record in addition to the primary plan fees. To avoid delays a copy of this pre-approval form must be included with the application documents.

- If denied below a SWCP must be submitted and approved prior to submission of the primary plan type in accordance with the regular requirements.

For Washington County Division of Engineering Use Only
