This Addendum is hereby made a part of the Contract Documents on which all bids will be based and is issued to correct and clarify the original documents.

NOTE: All Bidders must enter the Washington County Administration Complex through either the front door at the 100 West Washington Street entrance or through the rear entrance (w/blue canopy roof) which is handicap accessible and must use the elevator to access the Purchasing Department to submit their bid and/or to attend the Pre-Bid Conference. Alternate routes are controlled by a door access system. The general public will be subject to wand search and will be required to remove any unauthorized items from the building prior to entry. Prohibited items include but are not limited to: Weapons of any type; Firearms, ammunition, and explosive devices; Cutting instruments of any type - including knives, scissors, box cutters, work tools, knitting needles, or anything with a cutting edge, etc.; Pepper spray, mace, or any other chemical defense sprays; and Illegal substances.

ITEM NO. 1: *Inquiry:* Referencing notes on CD101, Quantity P101-5.12 on GI002, and specification 101-4.9, what are the dimensions and/or capacity of the oil-water separator to be infilled?

Response: We do not have historic as-built information on the size of the oil/water separator. However, the oil/water separator was used to intercept oil or fuel spilled on the old hangar floor, therefore we anticipate the size to be less than 1,000 gallons.

ITEM NO. 2: *Inquiry:* Due to the upcoming holiday weekend and the anticipated release of an addendum, can the bid due date be extended?

Response: Unfortunately, we are unable to extend the bid date due to the upcoming deadline for our grant application, which is set for the end of next week.
